FACILITIES

Human Breeding Facility

With the fall of the meteors, the supernatural races found themselves gorging on the humans that ran in terror from the newly exposed monsters. They were not careful with their food sources and the humans' numbers slowly began to diminish. Seeing the need to replenish, the Sanguine caused a breeding facility to be set up. Fertile humans are bred to be food for the hungry predators.

POPULAR VENUES FACILITIES

Cattle Storage

LAS VEGAS CONVENTION CENTER
This facility has been altered to house a large number of humans that are considered 'Food'. They are used to provide blood for the majority of vampires and many are harvested for 'lycan blood hunts'. Humans are formed into 'family groups' to maintain a happier, healthier life situation until their need to be harvested for food or blood. When a human is removed permanently, it is said that they are set free and relocated so as not to upset the others.

Slave Trades

FASHION SHOW MALL
The mall serves mainly as a venue for the sale of slaves that are brought in each Friday night and put on the market Saturdays from 10am through 8pm.

75% of the mall is comprised of slave stalls.
